

Clearwater Lake

Trout Fishing in the Triangle

Clearwater Lake is a YMCA owned 5 acre coldwater lake located just outside of Chapel Hill, NC. It is stocked with **Brook Trout** and two strains of **Rainbows**. Yes, it is stocked trout in a still water venue, however, this does not mean the fish are pushovers. . . just ask anyone who has fished there. These are not small fish! Catch and release, fly rod only.

Fishing is available only by reservation .

*Reservations are currently being accepted from Triangle Fly Fishers (TFF) members for the October 2008–April 2009 season. The early discounted (thru April 30) TFF cost is **\$36.50** per slot and must be purchased in pairs (\$73) (\$80 after April 30) .*

A “slot” is defined as one person for one day. A day is 9 am to 5 pm. There is a limit of 8 slots per day. Every person on the Clearwater grounds must have a reservation/slot. Guests are welcome when accompanied by their TFF host. Expect most of the dates to be Sundays with a couple of weekdays during the holidays between Thanksgiving and New Years. We will have only 160 slots (20 days) for the season, so make your reservation early. The last day to purchase slots is at the May 19 TFF meeting. **Order early and Save** - after April 30 the cost will be \$80 per pair. (Incidentally, the Non-TFF price is \$175 for two slots.)

To make your reservation: mail your check, for the number of slots you want, to: *Triangle Fly Fishers, c/o Ed McGee, 103 Talon Drive, Cary, NC 27518* or see Ed at a meeting.

Your check will not be cashed prior to May 19 and will be returned if the minimum number of slots are not sold. Slots are sold on a first-come, first-served, use'em or loose'em basis.
